

Rapid M 120

MIRIFIC RAPID M 120 is a concentrated blend of synthetic Pyrethroids, synergized with piperonyl butoxide which has a rapid kill on a broad spectrum of insect life.

FEATURES

Powerful

Economical

Easy to use

Biodegradable

BENEFITS

RAPID's powerful combination gives rapid knockdown and high killing power ensuring effective eradication of a wide range of insects.

One litre of RAPID will treat approximately 1,000 cubic meters.

RAPID is available in bulk for spraying through most conventional spraying and fogging equipments.

RAPID is completely biodegradable and has no harmful effect on the natural bacteria in sewage systems.

Directions for use

Extinguish all source of ignition. Close all windows and doors. Cover all exposed foods, cooking utensils and surfaces used to prepare food stuffs.

SPACE SPRAYING

Adjust spray nozzle to produce a fine mist. Start at the further most point from the exit, spraying RAPID into the air ensuring thorough and even dispersal. For maximum effect, close off the treated area for at least half an hour after application and then open all source of ventilation to disperse any remaining vapours.

RUBBISH AND REFUSE TIPS

Adjust spray nozzle for coarse spraying and apply to the tip until saturation takes place.

Pack Size

Available in 4 x 5 litre cartons.
