

SSG SOLVENT DEGREASER M 110

MIRIFIC SSG SOLVENT DEGREASER M 110 is a powerful cold dip solvent for metal degreasing, specially formulated to replace highly toxic degreasers such as carbon tetrachloride and trichloroethylene.

MIRIFIC SSG SOLVENT DEGREASER M 110 is fully active blend of solvents which quickly removes the heaviest deposits of oil, grease, bitumen, inks, dyes and waxes.

FEATURES

BENEFITS

Effective

Quickly dissolves grease, oil, tar, wax and many other stubborn soils. Controlled evaporation rate prevents induced moisture.

Easy to Use

Can be applied by spray, brush or by dip tank application.

Safe

MIRIFIC SSG SOLVENT DEGREASER M 110 is caustic-free, acid-free and has a low flammability (flash point 135 deg.F). Safe for use on most metals including aluminium and most synthetic materials.

Economical

Used in a dip tank, the solution can be used again and again.

Versatile

SSG is used in a wide range of industrial cleaning situation such as:-

Electrical motors;

Aviation and other internal combustion engines;

Switchgear;

Marine degreasing of decks, motors, etc.;

Oil tanks;

Wipe-off dewaxing of car and machine parts;

Degreasing bottling plants, paper mills and sawmills;

Gear boxes;

Polished metals may be cleaned without risk of corrosion.

Directions for use

Spray or Brush – Spray or brush onto the surface to be degreased. Wipe off with a clean cloth.

Dip Tank – Immerse the articles to be cleaned. Aged or very viscous oils may require prolonged immersion and agitation. Remove the items after cleaning, and wipe dry or allow to air dry. Ensure adequate ventilation in tank area. Do not use a water seal.

Pack Size

Available in 20 litre cartons.
