

PINE DISINFECTANT

ROCKY PINE DISINFECTANT combines a low toxicity phenolic biocide with biodegradable emulsifiers to produce a powerful yet safe disinfectant concentrate. Pine perfumed to clean and disinfect in one operation.

FEATURES

Proven

Concentrated

Effective

Versatile

BENEFITS

ROCKY PINE DISINFECTANT is based on a proven formulation which meets the requirements of BS 5197 (1976) Group P.A. aromatic pine fluids when used at the recommended dilution rates.

Can be effectively diluted with up to 20 parts of water.

Contains a powerful phenolic biocide which is effective against both gram negative and gram positive bacteria.

Can be used to disinfect wherever bacteria are present e.g. dustbins, refuse and drains, sinks, wash basins and urinals, floors, walls and work surfaces.

Directions for use

Floor, walls and paintwork

Dilute with up to 20 parts water. Apply by spray or mop.

Disinfection and odour control

For toilets, drains, sinks, refuse bins, pour or spray as supplied

Pack Size

Available in 4 x 1 gallon cartons.
